GOOD GIRL GONE BAD!

Louise used to be so quiet, a bit of a nerd – but what a difference college made! She came back home in the holidays (I was on break too) having discovered her inner slut – that's how she ended up at my place, fucking my brains out, rubbing my wet dick all over her tits, then leaping on it the second she got me hard again.

We talked about old times in 6th form and people we'd known, and she confessed she'd had a crush on my mate Anthony. I said he'd always liked her too – not true, but I knew he'd want a piece of her now! One look and we knew she still had it bad for him, but she started out with me, cowgirl style on the couch. She didn't even strip, just pulled her pants aside. Anthony was already wanking himself stiff, and she kept glancing at him. Then he walked over, offering her a suck. Her mouth was open and he crammed his knob inside of it, groaning as she massaged his balls.

This was happening a couple of feet above my face and the next thing I knew I was blowing my load deep in her cunt. She shivered with pleasure, then spit Anthony out, telling him to take over fucking duties.

I slid out and he had her doggie style on the couch, my spunk gushing out of her hole as he slammed in. Her crotch was soaked with cum, wet flesh slapping loudly together as he fucked her hard. Now he pulled out and flipped her over for a tit-fuck. I saw the cream splash all over her tits as he slapped his dick between them, lubing them up. My cock was still sensitive from cumming, but if she wanted it every which way...

I was hard again now and I slid into position, parting her cheeks. She moaned a loud, "Oh yes..." as I touched my dick up to her arsehole. I eased in – she was so hot and tight. Just stuffing her hole got her squirming. Then Anthony hauled himself up and stood over her, aiming his jizzing cock with one hand as the other moved down to tease her clit.

Even as the last drops splashed on her boobs, his hand shaking, Anthony didn't let up on frigging her, and she kept on cumming until I hit the brink. I pulled out, then sprayed her quivering body with another load of jizz. She's stayed in touch and, next time, Anthony and I are thinking of rounding up a few of the other blokes Louise liked back in her nerd days. I think they'll all like the way she's turned out!

Kevin, Leeds

A LEVELS!

The other evening I was at a party with a few college friends, and after a few drinks we all got talking about our unfulfilled sexual fantasies. Most were pretty run of the mill until it came to Olivia. She's somewhat of a wallflower, so it was a surprise when she blushingly revealed that she'd always wanted to try anal sex, but all the men she'd dated had thought she wasn't that kind of girl. Everybody whooped at that, and then again even louder when it came to my turn, and I confessed that I'd always wanted to fuck a girl in the arse, but none of my girlfriends had ever consented to it.

As everyone totally cracked up laughing, I started seeing Olivia in a whole different light. Perhaps it was partly down to the beer, but in her own understated way she now actually seemed quite a babe. How come I'd never noticed before? And had this whole thing been set up? All these questions and more I suppressed in the time-honoured manner – with more beer. Olivia too was throwing back the drinks, in an attempt to calm her nerves, it seemed to me. I smiled over at her. She smiled back, then coyly cast down her eyes. I went over to her. "So," I said portentously...

A few hours later I was in a taxi with Olivia on the way back to her halls of residence, fooling around and all that stuff. But things quickly took a more serious turn at her place. Right away we were kissing passionately, fumbling and groping, and tearing off each other's clothes. Mousey little Olivia turned out to have a fantastic body, with a fine, firm bubble bum. A very fuckable bum, which I followed down the hallway into Olivia's living room, where, emboldened by the booze, she pushed me onto a couch. Scrambling on top of me reverse-cowgirl style, she then jammed her head onto my stiff dick, and proceeded to give me an awesomely sloppy blowjob. Olivia! Who knew? And with her silky pink fanny hovering mere inches above my face, what could I do but slaver at it like a man possessed. Hell, if I could, I would

have stuck my head inside that delicious twat – I certainly gave it my best shot. I was loving it so much, I was even a little disappointed when after a while Olivia hopped off onto the floor.

"Act two," she said to me. "The main event!"

Suddenly I wasn't disappointed anymore, because I knew what that meant. I scooched over to let Olivia back onto the couch, where she got on all fours facing away from me, resting her elbows on the couch's arm. I was looking right into the small brown eye of that sweet plump bum, where I felt my cock rightly belonged. And that's where it was headed, no matter how small the entrance might be.

I spat into my hand, and rubbed my spit over my bulging cockhead. I lined my helmet up against Olivia's puckered arsehole, and with a series of short stabbing motions, my cock gradually made its way inside. That felt so good! Olivia was super-tight, and she rubbed her clit and wiggled her arse as I pumped it as hard as I dared. Which is to say, not very much. I was being handed anal sex on a platter without having to beg for it, and I knew better than to blow it by going hell for leather right from the bell.

So I took things carefully at first. But when Olivia started pushing back against me, I cottoned on that she wanted it harder, so I moved up a gear. Now,

Addie, we hear you're studying law. Well, we've got something we'd like to be taken into consideration, if you know what we mean.

"Don't worry, I won't be graduating any time soon, the way I'm going," the 18-year-old first year tells us, neatly sidestepping our feeble puns. "I've been too busy enjoying myself on campus."

We're thinking giant sumo suits, doing Jagerbombs, that kind of thing?

"More like birthday suits and... well, let's be honest, just lots of cock. I'm in a house with 6 other horny girls and it's a bit of a competition to see who can get the most men through their bedroom every week."

What happened to saving yourself for the one you love?

"Fuck that. I'm only at University once and I'll be paying for it for years, so I'm going to drown myself in dick while I can. I'm leading the race at the moment, but I'm so wet and horny all the time there'll be no slacking off..."

BONE IDOL!

EMMA EDWARDS GOES ON SET TO ROAD-TEST THE LATEST BATCH OF FRESH TEEN PORN STARS...

Starring: Brooke Lee Adams, Lily Lebeau, Eva Ellington, Gracie Glam, Melanie Rios, Victoria White, Vin Vericose, Michael Vargas, Chris Strokes, Joey Brass, Ralph Long.
Directed by: Jim Powers.
Available From: Smash Pictures.

Melanie has an apple for teacher!

The image of fresh, youthful schoolgirls has long been a favourite fantasy of horny men everywhere. The thought of flirty school uniforms, knee-high socks, and freshly sprouted tits jutting through college sweaters or sports jerseys has enough visual impact to keep your volcano exploding and your pencil sharp. This fantasy becomes exponentially more explosive once five, relatively new porn hopefuls are placed in a bustling production studio to realise their jizz-induced dreams of superstardom.

Giggling in every corner, these porn stars in training are very happy to spread open wide in their quest of rising to the top. Thankfully, director Jim Powers has assembled a legion of capable porn studs to help turn their amateur dreams into adult realities with his latest movie for Smash Pictures called *Teen Idol 7*.

With the girls backstage in various stages of dress and undress, the chicks can't resist warming each other up with soft touches and playful tickles while they wait. With this vignette style offering, Powers has chosen to do away with a plot in lieu of hot couple's sex, which proves to be a brilliant choice. "These girls are incredibly sexy and eager. We'll let their sexual styles do all the talking," he says while adjusting his camera in anticipation for the first scene of the day to unfold.

Our conversation is soon interrupted when Victoria White, dressed in a sexy soccer kit, walks onto set. Our lust for her is obvious, as the entire room watches her every move. "This is going to be so much fun," she smirks, while kicking the football around and flipping up the edges of her shirt to show off her perfect tits before switching her attention to Vin Vericose, her cock du jour.

As she lies on her back to spread her pussy lips open for the camera, Vin walks over to her sprawled out body to inspect her curves. Emphatically, he rushes Victoria and lands smack down in the middle of her pussy. With delicious sucking sounds, it becomes quite evident that both Vin and Victoria like each other very much. "Stick that tongue inside my hole!" she begs, as she begins to coat his mouth with her delicious cream sauce.

After ample amounts of oral are given to her, as evidenced by her saturated thighs and a wet bench, Vin experiences the hidden talents that lie inside Victoria's mouth. She lowers down to her knees; arcs her neck back,

and then begins to power suck his cock and balls like a steam cleaner. With an interesting technique that is unique to her, Vin has no choice but to hold on and resist from popping too early. Instead, he sinks his hands into her blonde ponytail and watches as the inside of her cheeks connect in the middle. "Fuck... easy girl," he comments, as her skills seem to be getting the best of him.

From here, the two transition into a reverse cowgirl spread that has one of her legs braced up against the bench while the other leg retains proper balance on the floor. The two go at it like animals in heat, creating a visual that even shakes a pro like Powers off his centre.

After an extensive set and lighting change, Melanie Rios, who is easily one of the cutest new girls on the block [and one of our cover stars – Ed], enters her classroom set wearing a pleated skirt that scarcely houses her adorably perky arse. She tinkers around the desk, chews on the corners of an apple, while the entire cast and crew continue falling in love with her. It's lust at first sight when Michael Vargas gets his first look. With his cock practically tearing through his fly in anticipation for a full frontal attack, Michael jokes, "Fuck, I love my job!"

Melanie ensures that he loves it even more, when without a single nod of introduction or any oral build up to speak of, Melanie spreads out across a desk, yanks her red knickers to the side, and pulls Michael into position. Rock solid and ready, Michael yanks out his cock and throws it inside Melanie's tight hole before she has the opportunity to change her mind. She sinks her fingers into his hips and pulls him in tighter so their crotches are smacked together. "I love it. Keep it there," she urges, spiraling her pussy around his shaft.

After a solid ten minutes, Melanie begins to snap, crackle, and pop with her first orgasmic release. With comically squealing appeal, Melanie oozes her spunk across their connected crotches. Quick to get a lick, Michael disconnects his cock from her hole with an audible peeling sound and buries his face between her thighs. "Stick your tongue up my pussy hole now," Melanie begs, as the dawning of yet another cum blast is approaching.

Their scene ends in a reverse cowgirl sequence that has her bouncing wildly on his cock, to ensure she leaves his class with a perfect GPA. With a voluminous sperm-filled finish to the face, Melanie need not worry. This girl is an A+ student all the way!

Still reeling from the positive effects of the previous scene, the crew has a new burst of energy to help prepare them for the three-way bout that has Brooke Lee Adams and Lily Lebeau teaming up to take down Chris Strokes. Powers calls the trio on to set, only to find that they have already been getting well acquainted with one another in the make-up room. "Save it for the camera," he jokes as the girls continue on where they left off moments before.

With Chris already naked and smeared across the bed like butter, Brooke recommits her lips to his cock, while Lily is more than happy to juggle his nuts in her mouth. The girls lick and suck like true seasoned players, despite their young age, and have Chris squealing like a piggy in no time.

"Lily is more than happy to juggle his nuts in her mouth"

"First position," Powers calls from behind his lens. Without a moment of hesitation, Brooke jumps on in cowgirl position, slipping onto his cock with minimal effort. After a few passes, Chris and Brooke find their perfect rhythm and begin churning out one hell of a ride. Not to be outdone or left out, Lily nestles along side the fuckers and begins to tongue fuck Brooke's crinkly arsehole. "This feels so amazing," Brooke screams as the sensation of Chris' hard cock and the warm wetness of Lily's tongue has her seeing stars.

After a swift cum explosion from Brooke,

that has Lily's tongue working in overdrive, the girls switch places. Lily jumps on his stick in reverse cowgirl, holding up the edges of her pink skirt while she buckles down and gets to business. Like a good friend, Brooke helps Lily ride the pony by pulling her hips up and pushing them back down. "Come on girl. Get it!" Brooke cheerleads, as Lily's bee stung nips begin to pop. With a few more choice positions doled out to each girl, Chris lines them up and uses their teeth for target practice. Their cum swap finale finishes the scene off perfectly!

Once the cast and crew have had ample time to relax, Eva Ellington, dressed as a sassy cheerleader, springs everybody back to life. With a flawless body and a bubbly personality that is incredibly infectious, the well-oiled machine is back in action. For this set up, Eva begins by going through several cute cheerleader poses for the camera. At one point, she swoops her leg behind her back until her toe actually touches her head!

Joey Brass gets one look at her display of nubile flexibility and charges after her like a raging bull. Little does he know that despite her cutesy exterior, he's the one who needs to watch his back.

Taking the lead from the start, Eva tugs his pants down around his knees and begins power chugging his cock inside her little mouth. She maintains eye contact throughout and does a fine job of keeping him turned on with loads of dirty talk. "Smack that cock against my tongue," she spits, rounding her cheek out with the head of his cock. "How would you like me first?" she continues, eventually hiking her left leg onto the desk to coax him inside her fanny. She waves her arse back and forth to entice him, yelping loudly once he enters. Making her earn his cock, Joey blasts into Eva's clam until the edges drip with juice. She loves his aggressive play and makes it a point to sink her nails into the wooden desk to keep her body in position.

"Transition," Powers whispers, signaling that it's time to continue in a new position. Joey slams Eva on her back and plugs into her pussy, first with his tongue and later with his cock. Again, the girl goes wild, pulling on her puffy nipples while Joey hammers home.

From here, Eva is rolled over onto her side in spoon and then hops on top to ride out her bronco in reverse cowgirl, her best position. When the time comes to seal the deal, Joey pulls out and showers the debutante with scads of warm man milk. Eva laps up every last drop after working up quite a heavy sweat.

As she continues to play in the slop and collect her well-deserved accolades, I leave the set a wet mess. With lust in the air and sexy college co-eds blowing in from every direction, the forecast for *Teen Idol 7* has dropped. It promises to be extra hot with a definite chance of cum showers! Check it out and see what all the fuss is about.

STUDYING: English

♣ STUDENT ♣

As Cleo is in her second year of studying English Literature, we can only assume she's a bookworm given to quoting reams of poetry when the mood hits. Right?

"Guilty as charged, actually. I am a bit of a nerd when it comes to English," she reveals. "But don't think that means I don't know how to party. You know that stereotypical bookish girl who takes her glasses off and lets down her hair? Well, I know a lot of girls like that."

So you've got a secret sexy side?

"It's not all that secret if you ask the right people. I'm not just at Uni to learn, I'm here for fun too, and fucking is a big part of that. I think students are a lot dirtier than they used to be, everyone's having anal or doing two men at once."

Does that include you?

"Why stop at two? I'd had a dick in my bum in 6th form, and a threesome in the holidays before Uni, so it's onwards and upwards for me. Me and some of the girls are even thinking about throwing an orgy instead of a summer ball!"

Lauren Peters

Classy Lauren graduates next year, but it's not too late to see her strip off.

"I'll fuck myself to an orgasm for every single vote I get," she promises. "And the sender of the 100th vote will get the vibrator that proves it!"

Megan Butler

Megan's happy to flash her tits, but no-one sees the rest of the goods unless she wins our election!

"Vote for me, guys, otherwise the tight pussy in these shorts is staying under wraps. I promise it's worth it!"

Natalie Havers

Second year student Natalie doesn't hold back with her election pledge:

"If you vote for me, once you see my naked pussy and arse you'll wank your cock until your balls are empty. I want you to spray my pics with hot spunk please!"

Music students, we've always assumed, were speccy swots at school who spent their time practicing scales when we were busy throwing buds at people's windows and sniffing glue. In this case, we're way out.

"I'm only doing this because I like musicians!" confesses the bubbly Catalina. "I can play the guitar a bit, but I'm just about the worst student in the entire year. But there are a couple of real rockers in my class, and I've already shown them that I certainly know how to play a penis!"

Ah, you can't learn that, can you?

"Well, it certainly comes more naturally to me than anything else. Then again, maybe I should try my hand at woodwind instruments, because men say I'm really, really good when I've got their wood in my mouth!"

So, going to join a band one day?

"I'm not sure I'll be good enough, but if they're happy for me to shake a tambourine and suck cock all the time, I'll sign on for life!"

What a waste.

"I don't think either of us were before we met at college," chimes in archaeology buff Valerie – who we wouldn't mind discovering a certain old bone of ours – "but once we met we turned just like that. Now, when we're not studying, we're licking, sucking and fucking the hell out of each other!"

Very nice, and it's lovely to see it but, again, what a waste.

"Oh, don't be silly," scolds Melanie. "We're not going to be permanent lesbians. After all, we both miss cock far too much for that. Maybe we'll be bisexual next year and invite some boys in to play!"

"Well, funnily enough, my 1st year case study is on some famous American websites, their business models and so on. I think my professor and some of the male students love it – they seem to take a big interest in it!"

We bet they do. And in you.

"Well, I plan to go live next year with the site, and I'll be having sex on it, so they're going to get a real shock. Maybe I'll ask some of them to co-star on it. Starting with the professor!"

NAME: Kiki

AGE: 19

STUDYING: Broadcasting

♣ STUDENT ♣

Foreign exchange student Kiki is really settling in here in the UK, and seems to be getting to grips with the language as well.

"You cheeky bastards, I'm an Australian," says the 19-year-old Broadcast Journalism undergraduate, "I can speak the Queen's just as well as you mongrels."

Well, we think that's what we said anyway. You'll have to speak a lot clearer if you're going to be a broadcaster.

"Oh, my degree? Yeah, well, that was the plan, but things have changed a bit since I started it."

Like what?

"Well, I thought I'd pay my way through Uni by launching a website where me and some girlfriends stripped off. Thing is, it's really taken off, and I'm having so much fun – and so much sex – doing it, that I might end up doing it full time!"

Rack off, Bouncer!

"Not only that, I got invited to go to America and make a couple of porn films, and that's paid my tuition as well. Look closely and you might see me in hardcore action!"

At www.yousharp.com men can book sex tours to the most luxurious and largest sex clubs in the world !!!

The time has finally come for what many men have only dared to dream about. YouSharp, a company based in Germany, is offering three to five-day sex trips to Germany. The largest and most exclusive sex clubs in the world represent the holiday destination. The price of the trip includes flights, transfer, hotel accommodation, daily visits to a sex club, all meals and drinks, as well as sex with up to 20 top models, among whom the guest is free to choose.

The sex clubs offer their guest relaxation and recuperation in luxurious internal surroundings with a surface area of 4,000 square metres, and sometimes over 20,000 square metres of open-air territory.

NAME: Marketa

AGE: 18

STUDYING: Nursing

♣ STUDENT ♣

While the decline of the stereotypical naughty British nurse is to be regretted, it's reassuring to know that incredibly fit Eastern European sorts like Marketa will soon be performing bed baths. Do they still do bed baths?

"We haven't covered that yet on my nursing degree," Marketa tells us, a little disappointingly, "but if I see you on a ward, I'll definitely give you a little treat, for sure."

Like what?

"Well, you don't really want a bed bath, do you? You just want me to make you cum with my hands, don't you? You want me to wank you off."

Well, yes, now that you mention it.

"That's okay, you can just say it. I love the power of having a hard cock in my hands. I like giving blowjobs, but I've got lots of techniques for handjobs."

Sounds like a good degree.

"Some things you don't need to learn – and how to handle a cock is one of those things for me!"

Yes, the future of nursing is in very good hands indeed...

I'm not usually one to brag – so you'd better believe me when I tell you that I fucked Olivia's arse something good! Before long her arse was shimmying so much, it felt almost as though she was spinning around the axle of my pistoning shaft. Like my dick was the centre of her sensory universe. Who knew anal sex could be this good?

As Olivia's gasps told me she was about to orgasm, I started cumming too, and pulled out my dick to pop my gloop over her rear. Watching the stuff run down her arse crack and over her puffy pussy lips, I was immersed in the utmost sexual satisfaction. And when Olivia's rhythmic sighs eventually died away, she murmured, "Mmm... Let's do that again sometime." That sometime is tonight. I'm out of here!

Jacob, Rotherham

BEAVER ESPANA!

When I hit 25 I decided to stop fucking around, get my shit together and turn my life around. Having spent too much time in pubs picking up men who were bad news, I was determined to get back on track and do something with my life. So I enrolled in night school and blew off my trashier acquaintances.

I'd been going to Spanish class for about a month when a new student took the seat next to me. Seeing he was built like a rugby player, with nice thick wrists (always a good sign), I soon found myself fantasizing about him instead of minding my grammar. Then, when I got home, I'd fuck myself with my vibrator, imagining him pumping away on top of me until he came inside me.

Jack and I quickly became friends – in fact, he was so nice that I didn't think he found me sexy. I mean, what kind of man walks you home without making a move? A nice guy, that's what. So I decided it was down to me to see if there was any hope here.

One weekend I was due to move house, so I roped Jack in to help. I couldn't help perving on him as he got hot and sweaty lugging my furniture around. My bed was the final thing to assemble, and once we'd got the last screw in I sat down on it and drew one leg up to my chest to give him the teeniest glimpse of my knickers.

"So Jack," I said, "what's this all about?" He sat down next to me and held my eyes as I ran my thumb over his chest, down the neckline of his shirt. "Do you like me?" I let my hand drop into his lap. Smiling, he placed it on top of the straining hard-on in his jeans, which I rubbed, feeling the heat beneath my palm.

Bending my head down, I unbuckled his belt, pulled down his zip and freed his cock from his boxers. It was thick, hard and circumcised, just as I'd imagined it. I took it into my mouth greedily and sucked hard, enjoying the taste of his prick. I've always loved giving head, and I set to blowing him enthusiastically, taking his cock all the way back into my throat so that my mouth was completely full. He held my hair out of the way to watch his cock pump in and out of my mouth all the way to the hilt. Whenever I flicked my tongue over his helmet the taste of his pre-cum drove me wild.

"I want to fuck you," Jack muttered, pulling me away. He lay back, and I straddled him, teasing the head of his cock, wet from our shared juices, with my pussy lips. Bit by bit, I sunk all the way down onto his cock, then started to fuck him, slow and hard. I gasped as he pulled my hips down hard so that he was completely filling my pussy.

"Fuck me, fuck me," I begged, as I ground down on him harder, hearing his balls slap against my arse. I started to cum, my whole body shaking as I worked his cock with my pussy like a fist.

Jack start to speed up, wanting to orgasm in synch with me. "No, wait!" I said. I moved around onto all fours, reached between my legs and wiped my pussy juices over my tight arsehole. "You're not going anywhere till you fuck my arse," I challenged him.

Jack spat on his fingers and rubbed at my bumhole, slipping a digit inside. He pulled his finger out and I gasped as his tongue flickered over my brown eye, getting it wet. Then I felt his helmet pressing at my ring until he'd penetrated it, and was sliding his cock up my bum.

I rarely take a cock up my arse, but now I found myself wondering why. It felt so wonderfully filthy having Jack's dick stretching my bunghole wide, his hips shaking as he pounded my tightest hole. I was being pushed further across the bed with each stroke, and absolutely loving it. I braced my legs wider apart and frenetically rubbed my buzzing clit before Jack pumped hot wads of cum deep into my fanny.

We fucked a further three times that night, each time making sure my arse got plenty of attention. I may not have opened my mind, but from now on my arse is open all hours!
